Anzac Square and State Library Excursion—Years 5&6

It started off as a chilly day. We looked at all the statues and learned about them and what they meant. We looked at all the statue represented a war and everything that was there represented something. Even the trees represented something—the bottle top tree represented Africa, the palm tree represented the Middle East and the pine tree represented Turkey. *By Daniel*

We walked to King George Square where we looked at pictures of the olden days in wars. We also saw pictures of the people who died in war. We crossed the bridge that looked like ship masts. Elijah was scared and he couldn't go on it so he held the rail all the way. He enjoyed it on the bridge so much he forgot that he was scared of bridges. *By Kien*

We walked for 10 minutes across the really long bridge to the State Library and we ate lunch and went inside. We made an unwise decision—we took the stairs instead of the elevator. Let me tell you it took us a while to get to the top but it was worth it. We started to go into the State Library. We went up to level 4 where we saw the World War 1 Heritage. *By Elijah*

We went through two other levels and increased our knowledge about the wars. In level two we listened to

the events that happened in all wars. We wrote postcards to soldiers and loved ones. We looked at all of the different kinds of medallions. We also learned about the old gas mask. *By Amir*

Students must wear full school uniform or Year 6 shirt.
Money and envelopes due by photo day at the very latest.

Dear Parents, Carers and Community Members

With Term two drawing to a close we have confirmed a couple of staff changes to take place after the holidays. Mr Nineham will be returning from leave to teach 3/4D after the holidays. Mr McGregor will be back after the holidays to replace Mrs McKenzie while she is on leave for a couple of weeks, and later in the term will replace Mrs Hurdle when she takes leave. Mrs Egan will continue working with 5/6B indefinitely. Mrs Myles, who has been working with us as a Teacher Aide will also be finishing her contract at the end of this term. We thank Mr McGregor and Mrs Myles for the wonderful work they have done with our students and hope to see them back when opportunity arises.

This week we welcomed our new, and permanent Groundsman, Mr Wayne Gooderham to our team. We thank Mr Carlson for the great job he did while he was with us and wish him all the best for his next venture.

P & C News

The P&C Meeting for this month will be held at 1pm on Monday 15th June, in the parent room.

Nationally Consistent Collection of Data

Collecting data on school students with disability helps teachers, principals and education authorities support the participation of students with disability in schooling on the same basis as students without disability.

All Australian Governments have agreed to work together on the annual collection of data on school students with disability.

In 2013, 10% of Queensland state schools participated in the first year of implementation. In 2014, two thirds of Queensland schools will participate and all schools will be collect data from 2015. Our school will be involved in the nationally consistent collection of data from this year.

Please be reassured that the Department will not provide on to another organisation any data that can identify an individual student. The only data being collected at the school level to be reported nationally is the:

- number of students in the school who are provided with an adjustment to address a disability;
- level of adjustments we provide for those students; and
- broad category of disability.

Consultation with parents is important not only for the data collection but also to ensure you aware of the adjustments being provided to support your child. We will therefore continue to consult with you.

While only data that cannot identify your child will be submitted outside of the Department, if you do not wish for your child's details to be included, please let me know.

Information and fact sheets are available to help you make a decision from the:

- Department's website: <http://education.qld.gov.au/curriculum/disability-data-collection.html>
- Australian Government Department of Education website: <http://education.gov.au/nationally-consistent-collection-data-school-students-disability>

Alternatively, if you have any queries about the collection or use of this data I encourage you to contact me directly.

Marni Morrison
School Principal

Position Vacant: Uniform Shop Position Vacant: (Partially Unpaid)

Classification: Casual position (P&C Retail Award 1st September 2014)

Rate: \$23.94 per hour
Hours: 4hrs per week
Days: Negotiable

An opportunity exists for a highly motivated and innovative Uniform Shop Convenor at Serviceton South State School.

Key tasks include;

Supporting the school's dress code standards, day to day management of the uniform shop and its volunteers, ensuring a positive work environment is maintained and volunteers are clear about tasks needing to be undertaken. Monitor the uniform shop procedures in order to deliver an effective and efficient service that meets the needs of the P&C Association, students and school. Promote good clientele and public relations at every opportunity. Liaise with pre-qualified suppliers including, monitoring the stock and storage, and stock rotation. Assist in the delivery of services and provide feedback regularly to the Principal regarding quality of service and provisions that are provided by pre-qualified suppliers. Order and maintain adequate stock levels and perform a stock take each month and provide details to the P&C. Maintain security of the uniform shop and retaining keys.

The successful applicant must hold a blue card to work in child-related employment.

Please email a cover letter with your resume to the.principal@servsoutss.eq.edu.au or drop off (in a sealed envelope marked "Private and Confidential") to the Administration Office at Serviceton South State

(Continued from page 2)

School. Applications must be received by Friday 19 June 2015.
