### **Our school strategies are showing substantial progress toward our targets**

After reviewing our *Great Results Guarantee* agreement, it is clear that we have made progress toward our targeted student outcomes. We will continue to focus on maximising the benefits of this funding for our students, and adjust our strategies as needed to ensure every student succeeds.

Strategies implemented include:

- Releasing teachers for fortnightly cohort meetings for data discussions, planning and Instructional Rounds, through the purchase of TRS;
- Increasing the STLaN position to full time to support teaching and learning of identified students;
- Employing a full time Head of Curriculum to build capacity of teachers from prep – Year 6
- Employing a Literacy Coach for the specific purpose of improving reading results;
- Providing additional Teacher Aide hours for reading lessons;
- Purchasing additional reading resources;
- Purchasing updated standardised reading kits and providing professional development for teachers to use them
- Introducing MiniLit and the Reading Tutor Program as early intervention programs, including the purchase of materials, the training of staff and the employment of Teacher Aides to deliver the program.
