### Our school initiatives are showing substantial progress toward our targets

After reviewing our 2016 *Investing for Success* agreement, it is clear that we have made progress toward our targeted student outcomes. We will continue to focus on maximising the benefits of this funding for our students, and adjust our initiatives as needed to ensure every student succeeds.

Initiatives implemented include:

- Employment of a full time Literacy Coach to implement the Reading Improvement agenda.
- Developed a Whole School Reading Program focused on Explicit Instruction, consistency of guided reading practices school wide using high yield practices.
- Additional Speech Language Pathologist time was sourced to provide extra support to students experiencing difficulties with speech and language communication.
- Coaching and feedback of guided reading practices were implemented and data walls used to track student progress and inform intervention practices.
- Extra Teacher aide time was purchased to support the guided reading lessons.
- Further reading resources were purchased of high interest and of relevance to students to engage them in a love of reading.
- Extra allocation of Guidance Officer time to identify and support students with complex needs..
