Welcome to Serviceton South State School

What is our P&C all about?

At Serviceton South State School our P&C volunteers are dedicated parents and community minded people who want to contribute to the management and improvement of the school.

Our P&C works very closely with our school towards building a strong school community.

As a P&C member you can be involved in:

- School policy decisions & development
- Canteen & Uniform shop management
- Planning fundraising activities
- School classroom functions
- Grant writing
- Financial planning & budgeting

Why become involved?

Joining the P&C is one of the best ways you can show your child/ren you value their education. Your involvement enhances your child/ren's educational opportunities, and other children at the school also benefit. It's a great way to keep informed, learn new skills and meet new people, whilst assisting to shape the future of the school.

P&C volunteers at Serviceton South State School are appreciated, needed and fundamental to the development of a successful school community.

How much time do you give?

Becoming involved in the P&C and school doesn't mean giving all of your time. We value family/life/work balance at Serviceton South and appreciate any time you can give.

You may have great skills, knowledge and abilities that could be an asset to our school.
