

Investing for Success

Under this agreement for 2022
SERVICETON SOUTH STATE SCHOOL will receive

\$413,649.00*

This funding will be used to

- Improve % of students in English, Mathematics, Humanities and Social Sciences (HASS) and Science from Prep – Year 6 achieving C or above
- Improve % of students achieving A and Bs in English, Mathematics, HASS and Science
- Increase % of students achieving school reading benchmarks to 80%.

Our initiatives include

- Consolidating a shared understanding of “data literacy” through Professional Learning Communities, Year Level and Individual Data Meeting/Case Management to effectively use data to inform targeted teaching, especially in English.
- Providing professional development and coaching to develop teachers’ understandings of the Australian Curriculum: English.
- Building staff capacity in the understanding of Nationally Consistent Collection of Data (NCCD)/Disability Discrimination Act (DDA) and implement effective differentiation for students from diverse backgrounds.
- Building teacher capacity to provide focused and intensive teaching for students requiring additional support to engage in and demonstrate achievement against year- level achievement standards.
- Building staff capacity to support students from diverse backgrounds to engage in Oral Language, Vocabulary Reading and Writing to build a solid foundation to learning.
